

Dear Sisters in Christ,

Wow! Hasn't God been great. By now you have had a glimpse of what this weekend is all about - a chance to help you grow your relationship with Christ and show you how special you are to Him. Many people have been praying for you long before YOU ever knew you would be here . Many have been preparing for you for months. God has been waiting for your lifetime just to spend this time with you!

This weekend is a time for you, lay aside every concern and open your heart and mind to what God has set aside for you to receive. Allow HIS grace and beauty to cover you, as He loves you this weekend.

May you be blessed from the top of your head to the tips of your toes!
