## Walk to Emmaus

*We send you greetings from your Brothers and Sisters of the Pathway East Georgia Walk to Emmaus Community in Conyers, Georgia. Our prayers are with you as you walk with Christ this weekend. Receive the blessings of the Holy Spirit and your hearts will be strangely warmed and your eyes opened fully to experience the love of Jesus. We wish you many wonderful Fourth Days and pray that you will continue to feel God's presence in your life.*

*They said to each other, "Did not our hearts burn within us while he talked to us on the road, while he opened to us the Scriptures?" Luke 24:32*
