

Indy Tres Dias is Praying for you

As you walk through this experience we will be praying for you, asking Jesus to draw you close to him. What we ask of you is to allow your hearts to be open to hear and receive all that is said and offered.

Jesus made each of you. He formed you and wants you to choose to be a follower of his. He is all forgiving, all caring, all understanding and all loving. All of us, have situations and problems in our lives, but it is the Love or the Lord that will change us if we make the choice to reach out to him and begin to make those changes.

You are special Creations. God loves you and is there for you.

Our community is praying for you. We pray for peace and joy to fill your hearts...

God promises us rainbows, believe and receive.
