

Have you Seen Jesus, my Lord?

DeColores!

*Greetings from the Catholic Cursillo Community
of Cottage Grove, Minnesota.*

We are a suburb of St. Paul, located between the St. Croix River and the mighty Mississippi. Each Saturday morning, the men of our community group together at 7 AM to share with each other our love of Christ.

We study the word of God, look at how we can use this good news in our daily lives, and pray for each other, along with the world.

This Saturday morning, the team and candidates of your weekend will be a special part of that prayer.

**May your weekend experience help you all to
Recognize God in His glory
and in each other.**
