

My Fellow Brothers in Christ,

It has been our prayer for the past several months that God has delivered you here to accomplish His will for you during this Kairos weekend. I hope and pray that God has prepared your hearts and minds to receive all the blessings He has planned for you during this weekend. Give God all your burdens this weekend and be open to receive his love for you and be ready to watch God do amazing work in your lives when you return to your homes and church family.

As the weekend progresses you will see how much you are loved by Him and by your brothers here serving you. God brought you here this weekend so that you might experience his love in a completely different way than you have ever experienced.

"Trust in the Lord with all thine heart, and lean not unto thine own understanding. In all ways acknowledge him and he shall direct thy paths Proverbs 3"5-6

In Him,
