

Luke 24: 31

“Then their eyes were opened.....”

We pray that this weekend has opened your eyes and that you have seen and experienced God’s overwhelming love for you in so many ways. Take this time away from the world to reflect upon what God has already done for you and prepare yourself for what He is about to do with you and for you. He is an awesome God and He can and will do many things through you. Enjoy this time with your fellow Pilgrims who have chosen to take this journey with you and embrace not only His love, but the love of those who surround you here, now, and forever. You will never walk alone.

De Colores,

The Fredericksburg Virginia Emmaus Community
